

ICMPME 2023

2023 the International Conference on Metallurgical Processing and Materials Engineering

August 06-08, 2023 | Singapore

www.icmpme.com

2023 The International Conference on Metallurgical Processing and Materials Engineering (ICMPME2023) will be held in Singapore during August 06-08, 2023.

ICMPME2023 is to bring together innovative academics and Industry experts in the field of metallurgical processing and materials engineering to a common forum. The primary goal of the conference is to promote research and developmental activities in advanced manufacturing technology and materials engineering and another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working all around the world.

CALL FOR PAPER

Topics of interest include, but are not limited to:

Track 1: Metal Alloy Materials

Track 2: Metallurgical Engineering

Track 3: Manufacturing Engineering

Track 4: Advanced Materials

For more topics, please visit at <http://www.icmpme.com/cfp.html>

PUBLICATION

Proceedings of ICMPME2023 Submission will be rigorously reviewed, and should clearly make the case for a documented improvement over the existing state-of-the-arts. Submitted paper will be peer reviewed by conference committees, and accepted papers will be included into ICMPME2023 Conference Proceedings and submitted for indexing to **Scopus**.

SUBMISSION METHOD

1. OpenConf Submission System: <http://www.icmpme.com/openconf/openconf.php>

2. Email Submission: cfp@icmpme.com

Please choose one way to submit your contributions.

Program

Day1 August 6, 2023	Zoom Conference & Registration in Desk
Day 2 August 7, 2023	In-site Conference
Day3 August 8, 2023	Group Travel

SPEAKERS

To be announced...

IMPORTANT DATE

Full paper Submission Deadline • June 19, 2023

Notification of Acceptance • June 30, 2023

Registration deadline • July 07, 2023
